Appl. No. : 88247536
Filed : January 2, 2019
Published : April 23, 2019

Mark :
Applicant : Off-White LLC

S. C. Johnson & Son, Inc.,)	
Opposer,)	Opposition No. _____
)	
v.)	
)	
Off-White LLC,)	
Applicant.)	

NOTICE OF OPPOSITION

S. C. Johnson & Son, Inc., believes it will be damaged by registration of the mark OFF Cross Design by Off-White LLC (“Off-White” or “Applicant”), as applied for in U.S. Application Serial No. 88/247,536. Accordingly, S. C. Johnson & Son, Inc. (“S. C. Johnson”), by its attorneys IpHorgan Ltd, hereby opposes registration of Applicant’s OFF Cross Design mark. In support of this Notice of Opposition, S. C. Johnson states as follows:

- 1) S. C. Johnson is a Wisconsin Corporation located at 1525 Howe Street, Racine, WI 53403.
- 2) S. C. Johnson owns several United States trademark registrations for its OFF! trademarks (“OFF! Registrations” and “OFF! Marks”), including the following:

Trademark	U.S. Reg. No.	Filing Date	Relevant Goods
	4092154	12/09/2010	"Citronella candles for use as insect repellents, namely, candles containing insect repellent" in Int'l Class 004
	3299106	05/06/2005	"Insect repellents" in Int'l Class 005
	3299105	05/06/2005	"Insect repellants" in Int'l Class 005
OFF!	2169628	06/23/1997	"Citronella candles for use as insect repellent" in Int'l Class 005
OFF!	1594843	09/11/1989	"Insect repellent" in Int'l Class 005

Attached hereto as Exhibit A are true and correct copies of certificates of registration and printouts from the United States Patent and Trademark Office online database showing the current trademark status and assignment history associated with the OFF!

Registrations. These registrations are valid, subsisting, and in full force and effect.

3) Opposer filed Declarations of Use and Incontestability under Sections 8 and 15 of the Lanham Act for Registration Nos. 1594843, 2169628, 3299105, 3299106, and 4092154. These Declarations were accepted and acknowledged by the U.S. Patent and Trademark Office. Accordingly, Registration Nos. 1594843, 2169628, 3299105, 3299106, and 4092154 are incontestable under Section 15 of the Lanham Act.

4) As a result of Opposer's longstanding and continuous use of its OFF! Marks, the relevant consuming public recognizes the OFF! Marks as identifying Opposer as the source of the goods offered under the OFF! Marks and serving to distinguish Opposer's goods from the goods of others.

5) Opposer has expended considerable time, money, and effort advertising and promoting its OFF! Marks throughout the United States. As a consequence of these efforts, Opposer has acquired enormous recognition for and tremendous goodwill in the OFF! Marks.

6) Applicant Off-White LLC is an Illinois Limited Liability Company with a business address at c/o Gelfand, Rennert & Feldman, LLP, 360 Hamilton Ave., #100 White Plains, New York 10601.

7) According to the USPTO's records, Off-White filed the OFF Cross Design application, U.S. Serial No. 88247536 ("OFF Cross Design Application"), on January 2, 2019, under Trademark Act Section 1(b) in connection with the following goods and services:

International Class 03:

Colognes; toilet water; perfumes; fragrances for personal use; Soaps, namely, bath soaps, cosmetic soaps, shaving soaps, perfumed soaps, non-medicated beauty soap, deodorant soap, antiperspirant soap; Lotions for skin care; Antiperspirants; Deodorants for personal use; Cosmetics, namely, after-shave lotion, after-shaving balms; Body wash; Non-medicated bath preparations; Non-medicated skin care preparations; Room fragrances; Potpourri; Aromatherapy oils, namely, essential oils for aromatherapy use, inhaler sold filled with essential oils for use in aromatherapy; Fragranced beads for use in the home, namely, fragranced facial moisturizer, bath beads, air fragrancing preparations; Nail care preparation; Nail polish and nail polish remover; Essential oils; Make-up; Non-medicated toiletry preparations; Hair care preparations; Hair styling preparations; Hair lotions; Hair spray; Shampoo; Hair conditioner; Gel for hair; Mousse for hair

International Class 14:

Jewelry, bracelets, necklaces, pendants, pins being jewelry, rings, earrings, cufflinks, watches, straps for watches

International Class 18:

Handbags, tote bags, purses, clutches, cosmetics bags sold empty, reusable shopping bags, wallets, backpacks, briefcases, attaché cases, travel bags, trunks, luggage, all purpose carry bags, Umbrellas and parasols, satchels, school book bags, knapsacks, makeup cases sold empty, unfitted vanity cases, keycases, credit card holders, business card cases, briefcase-type portfolio cases, gym bags, beach bags, sport bags, toiletry bags sold empty

8) The OFF Cross Design Application was published for opposition on April 23, 2019.

9) Opposer has not consented to Off-White's use or registration in the United States of the OFF Cross Design Mark.

10) Opposer believes it will be injured by registration of the OFF Cross Design Mark in connection with all the Class 3, Class 14, and Class 18 goods identified in the OFF Cross Design Application.

Grounds For Opposition

1. Priority and Likelihood Of Confusion

11) S. C. Johnson's OFF! Registrations have filing dates, registration dates, and first use dates that long precede the filing date of the OFF Cross Design Application. In addition, the OFF! Marks have been in continuous use in U.S. commerce since long before the filing date of the OFF Cross Design Application. The OFF! Registrations and OFF! Marks therefore have priority over the OFF Cross Design Application.

12) The OFF element in Applicant's OFF Cross Design Mark is identical to the OFF element in S. C. Johnson's OFF! Marks.

13) OFF is the dominant element of Applicant's OFF Cross Design Mark.

14) OFF is the dominant element of S. C. Johnson's OFF Mark.

15) The OFF element in Applicant's OFF Cross Design Mark sounds the same as the OFF element in S. C. Johnson's OFF Mark.

16) Applicant's OFF Cross Design Mark is visually nearly identical to S. C. Johnson's OFF Mark.

17) The OFF element in the applied-for OFF Cross Design Mark merely repeats the OFF element in S. C. Johnson's OFF! Mark.

18) The exclamation point in S. C. Johnson's OFF! Mark connotes emphasis of the OFF element.

19) The repetition of the OFF element in Applicant's Mark connotes emphasis of the OFF element.

20) Consumers viewing Applicant's OFF Cross Design Mark will believe that it is merely a stylization of S. C. Johnson's OFF! Marks.

21) Because the dominant elements and the emphasis of the marks are identical, the connotation of Applicant's OFF Cross Design Mark and S. C. Johnson's OFF! Marks is the same.

22) Because the dominant elements and the emphasis of the marks are identical, the commercial impression conveyed by Applicant's OFF Cross Design Mark and S. C. Johnson's OFF! Marks is the same.

23) Applicant's OFF Cross Design Application identifies goods that are sold by retail stores that sell goods sold by S. C. Johnson under its OFF! Marks.

24) Moreover, the goods identified in the OFF Cross Design Application are in the likely zone of expansion for goods sold by S. C. Johnson under the OFF! Marks.

25) Given the highly related nature of the goods identified in Applicant's OFF Cross Design Application and the goods identified in S. C. Johnson's OFF! Registrations, these goods are likely to be marketed and sold to the same consumers and move in the same channels of trade.

26) A significant percentage of the relevant consuming public recognizes OFF! as an indicator of source, as shown by the volume of sales of the goods sold under the mark, its use in commerce since the 1950s, and the advertising resources used to promote it.

27) S. C. Johnson's OFF! Marks are therefore famous under the criteria established in the *Du Pont* likelihood of confusion analysis.

28) Because of the lack of restrictions in the OFF Cross Design Application, Applicant's goods may be sold at a low price and purchased on impulse, and are not the subject of careful purchasing decisions or the exercise of care.

29) Registration of the OFF Cross Design Mark will impair S. C. Johnson's exclusive right to use the OFF! Marks in connection with the goods identified in the OFF! Registrations and offered for sale by S. C. Johnson in U.S. commerce. Further, registration of the OFF Cross Design Mark will diminish the tremendous goodwill accrued by S. C. Johnson in the OFF! Marks.

30) Owing to the following: (1) Opposer's use of and priority of rights in the OFF! Marks; (2) the high similarity between the OFF! Marks and OFF Cross Design Mark in appearance, sound, connotation, and commercial impression; (3) the highly related nature of goods; and (4) the broad exposure of the OFF! Marks to the same consumers in the same markets and channels of trade as those implicated by Applicant's

applied-for mark, OFF Cross Design so resembles the OFF! Marks as to be likely to cause confusion or mistake, or to deceive, within the meaning of 15 U.S.C. § 1052(d).

31) Applicant's OFF Cross Design Application should therefore be refused under 15 U.S.C. § 1052(d) on the ground of priority and likelihood of confusion.

2. Dilution By Blurring

32) Opposer realleges and incorporates herein by reference the matters alleged in Paragraphs 1 through 31 of this Complaint.

33) S. C. Johnson's OFF! Marks are famous and distinctive, resulting from (1) S. C. Johnson's expenditure of substantial resources promoting and obtaining third party publicity for its OFF! Marks and advertising throughout the United States the goods it sells under those marks, and (2) S. C. Johnson's continuous use in U.S. commerce of its OFF! Marks since 1957.

34) S. C. Johnson's OFF! Marks became famous years before Applicant filed the OFF Cross Design Application and long before the earliest date on which Applicant can rely for purposes of priority.

35) S. C. Johnson's OFF! Marks are inherently distinctive.

36) In addition, through S. C. Johnson's extensive, decades-long marketing efforts and continuous use of the marks, its OFF! Marks have acquired distinctiveness.

37) S. C. Johnson's OFF! Marks are widely recognized by the general consuming public of the United States as a designation of source of S. C. Johnson's goods. In fact, when the general public encounters OFF! in almost any context, even apart from Opposer's goods, it associates the mark with S. C. Johnson.

38) The OFF elements of the OFF Cross Design Mark and OFF! Marks are identical and the connotation is the same.

39) As a result, a substantial percentage of consumers seeing Applicant's OFF Cross Design Mark on its goods would be immediately reminded of S. C. Johnson's famous OFF! Marks and therefore associate the OFF Cross Design Mark with S. C. Johnson.

40) Accordingly, Applicant's OFF Cross Design Mark is likely to cause dilution by blurring of S. C. Johnson's OFF! Marks within the meaning of 15 U.S.C. Sections 1125(c) and 1063.

41) Applicant's OFF Cross Design Application should therefore be refused under 15 U.S.C. Sections 1125(c) and 1063 on the ground of dilution by blurring.

3. Lack Of Bona Fide Intent To Use OFF Cross Design In Connection With The Identified Goods

42) Opposer realleges and incorporates herein by reference the matters alleged in Paragraphs 1 through 41 of this Complaint.

43) On information and belief, Applicant had no bona fide intent to use the OFF Cross Design Mark in commerce in connection with any of the goods identified in the OFF Cross Design Application as of the filing date of the Application.

44) On information and belief, Applicant has not taken steps to begin use in commerce of the OFF Cross Design Mark in connection with the identified goods.

45) On information and belief, Applicant has filed multiple intent-to-use applications, identifying substantially the same goods as those described in the OFF Cross Design Application, for which it has filed extensions of time to show use or the USPTO has deemed abandoned.

46) For example, on January 13, 2017, Applicant filed an intent-to-use application, Serial No. 87301187, for OFF-WHITE identifying Class 3 goods substantially the same as those identified in the OFF Cross Design Application. The application was published for opposition on May 2, 2017, and a notice of allowance was issued on June 27, 2017. Applicant has filed four extensions of time to prove use but has not filed a statement of use.

47) On January 16, 2017, Applicant filed an intent-to-use application for a design, Serial No. 87302813, identifying Class 3 goods substantially the same as those identified in the OFF Cross Design Application. The application was published for opposition on June 20, 2017, and a notice of allowance was issued on August 15, 2017. Applicant has filed four extensions of time to prove use but has not filed a statement of use.

48) On January 16, 2017, Applicant filed an intent-to-use application for a design, Serial No. 87302823, identifying Class 14 goods substantially the same as those identified in the OFF Cross Design Application. The application was published for opposition on June 20, 2017, and a notice of allowance was issued on August 15, 2017. Applicant has filed four extensions of time to prove use but has not filed a statement of use.

49) On November 28, 2016, Applicant filed an intent-to-use application for a design, Serial No. 87248702, identifying Class 18 goods substantially the same as those identified in the OFF Cross Design Application. The application was published for opposition on April 25, 2017, and a notice of allowance was issued on June 20, 2017. Applicant filed three extensions of time to prove use. The USPTO issued a notice of

abandonment on July 22, 2019, because it did not receive from Applicant a statement of use or request for extension of time to file a statement of use.

50) Applicant's OFF Cross Design Application should therefore be refused under 15 U.S.C. Section 1051(b) on the ground of lack of bona fide intent to use the OFF Cross Design Mark in commerce in connection with the identified goods as of the filing date.

Conclusion

51) For the foregoing reasons, Applicant's OFF Cross Design Application should be denied registration, under 15 U.S.C. Sections 1052(d), 1125(c), 1063, and 1051(b).

WHEREFORE, Opposer requests that this Notice of Opposition be sustained and that U.S. Trademark Application Serial No. 88/247,536 for OFF Cross Design be refused registration.

Dated: October 18, 2019

**REQUIREMENTS TO MAINTAIN YOUR FEDERAL
TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE
DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

Requirements in the First Ten Years*

What and When to File:

First Filing Deadline: You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. *See* 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.

Second Filing Deadline: You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between the 9th and 10th years after the registration date.*
See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*

What and When to File:

You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

**The United States Patent and Trademark Office (USPTO) will NOT send you any future notice or
reminder of these filing requirements.**

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the USPTO. The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. *See* 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. *See* 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.
